

# European Declaration of Conformity

This document is to certify that the machine/equipment indicated below conforms to directive indicated  
I the undersigned hereby certify that the construction equipment specified below

- |                            |   |
|----------------------------|---|
| 1. Category                | HYDRUALIC EXCAVATOR (Long Reach)              |
| 2. Make                    | HYUNDAI                                       |
| 3. Type                    | R220LC-9S                                     |
| 4. Manufacturer            | Hyundai Construction Equipment, Seoul, Korea. |
| 5. Serial no.              | HHKHZ614P1000C696                             |
| 6. First year in service.  | 2018  |
| 7. Power in kw.            | 107   |
| 8. Gross operating weight. | 25699 kg                                      |
| 9. Noise levels            | 70Lp(A) 101Lp(W)                              |

has been inspected and declared in conformity with the provisions included within the relevant directives.

The following Harmonised Standards have been taken into account = EN474-5 2006+A3:2013, EN292-2 and EN ISO 12100-2 2003+A1:2009

Directives	EEC Type approval	EEC Self certification
2006/42EC	Machinery Directive	Dated 18/07/2018
2000/14/EC	Noise emissions	Dated 18/07/2018
2004/108/EC	Electromagnetic Compatibility	Dated 18/07/2018

Responsible body }

Heavy Metal Plant

77, St Lukes Road,

Maidstone,

Kent. ME14 5AS

Company stamp

Place of Declaration : Maidstone, UK

Date of Declaration : 18/07/2018
